

Project List Survey - Bicycle and Pedestrian Projects (Page 1 of 3)

As a result of extensive input and information from DeKalb cities and County plans, the project team has identified and evaluated thousands of transportation projects. As a member of the community, we need your assistance to further prioritize the extensive list of transportation projects. **INSTRUCTIONS:** Use the list of projects below in combination with the link to the online survey (administered through SurveyMonkey) to select which projects are your highest and lowest priorities. You can find that link along with accompanying maps and other materials on the project website at www.dekalbtransportationplan2014.com/documents

Project ID	Project Name	From	To	Project Description
0007	New Peachtree Rd	Clairmont Rd	Central Ave (Doraville MARTA Station)	Detailed corridor study is needed: provide improved bicycle and pedestrian access incl a combination of bike lanes, fill in sidewalk gaps, or multi-use sidepath. Realign the intersection of New Peachtree Rd at Shallowford Rd NE.
0014	Peachtree Industrial	Miller Rd	Chamblee-Dunwoody	Install additional pedestrian crossings.
0202	Arkwright Place	Moreland Ave	Wade Ave	Improve access for bikes along this corridor. May be able to use the bifurcated roadway to create a separate path for cyclists.
0219	Hosea L Williams Dr	Moreland Ave	East Lake Dr	Improve access for bikes along this corridor.
0230	Oakview Dr	Hosea L Williams Dr	Cottage Grove Ave	Improve access for bikes along this corridor.
0237	Whitefoord Ave	DeKalb Ave	Wylie St	Improve access for bikes along this corridor.
0276	Scott Blvd	W Ponce de Leon Ave	Church St	Widen the sidewalk on the northwest side of Scott Boulevard in sections designated as Safe Routes to School by acquiring easements from adjacent property owners. Fill in gaps in a few areas where sidewalks don't exist.
0302	Shoal Creek Trail	South River Trail	Avondale MARTA Station	Expansion of the PATH Foundation trail system (Shoal Creek Trail)
0308	N Decatur Rd	Briarcliff Rd	N Indian Creek Dr	Provide access for cyclists along this corridor. A detailed corridor study will be needed to determine the best design for this project.
0332	Clairmont Rd	I-85	Commerce Dr	On-Road bicycle lanes
0336	Clifton Rd NE/ Clifton Rd	Briarcliff Rd; Peavine Creek	Ridgewood Dr; McClendon Ave	Improve access for bikes along this corridor.
0366	Houston Mill Rd	Clifton Rd	LaVista Rd	On-Road bicycle lanes
0480	Stone Mountain-Lithonia Rd	Rogers Lake Rd	Mackin St	Detailed corridor study is needed: provide improved bicycle and pedestrian access incl a combination of bike lanes, fill in sidewalk gaps, or multi-use sidepath. Realign the intersection of New Peachtree Rd at Shallowford Rd NE.
0485	Farmers Market Trail	South Peachtree Creek Trail	Stone Mountain Trail in Avondale Estates	Expansion of the PATH Foundation trail system (Farmers' Market Trail)
0491	Peavine Trail	Atlanta Trail System	South Peachtree Creek Trail	Peavine Trail; Provide improved bike access along this corridor. A detailed corridor study is needed to determine the best design for this project.
0492	Perimeter Trail	Dunwoody Trail and North Springs MARTA station	Chamblee and the Chamblee MARTA station	Expansion of the PATH Foundation trail system (Perimeter Trail)
0493	Perimeter Trail	Womack Rd	Murphy Candler Park	Expansion of the PATH Foundation trail system (Perimeter Trail)
0495	Skyland Trail	Chamblee, Chamblee MARTA Station, Perimeter Trail	North Fork Peachtree Creek Trail and Buford Hwy Corridor	Expansion of the PATH Foundation trail system (Skyland Trail)
0497	Snapfinger Trail	Stone Mountain Trail at Clarkston	South River Trail	Expansion of the PATH Foundation trail system (Snapfinger Trail)
0499	South Peachtree Creek Trail	Atlanta at Lenox Rd, the North DeKalb Shopping Center	Farmers Market Trail and Zonolite Park	Expansion of the PATH Foundation trail system (South Peachtree Creek Trail)
0789	Briarcliff Rd	Henderson Mill Rd	N Druid Hills Rd	Install sidewalks and improve pedestrian crossings along this corridor.
0792	Briarcliff Rd	Ponce de Leon Ave	N Druid Hills Rd	Install sidewalks and improve pedestrian crossings along this corridor.
0821	Clairmont Rd	Audubon Dr	SR 13/ Buford Hwy	Better Pedestrian Access
0825	Clairmont Rd	SR 13/ Buford Hwy	SR 141/ Peachtree Industrial Blvd	Install sidewalks and improve pedestrian crossings along this corridor.
0858	Dresden Dr	Peachtree Rd/ Brookhaven Station	Plaza Fiesta	Install sidewalks and improve pedestrian crossings along this corridor.
0881	Flat Shoals Rd	Second Ave	Candler Rd (SR 155)	Install sidewalks and improve pedestrian crossings along this corridor.

Project List Survey - Bicycle and Pedestrian Projects (Page 2 of 3)

As a result of extensive input and information from DeKalb cities and County plans, the project team has identified and evaluated thousands of transportation projects. As a member of the community, we need your assistance to further prioritize the extensive list of transportation projects. **INSTRUCTIONS:** Use the list of projects below in combination with the link to the online survey (administered through SurveyMonkey) to select which projects are your highest and lowest priorities. You can find that link along with accompanying maps and other materials on the project website at www.dekalbtransportationplan2014.com/documents

Project ID	Project Name	From	To	Project Description
0888	Glenwood Ave/ Glenwood Rd	Candler Rd (SR 155)	Columbia Rd	Install sidewalks and improve pedestrian crossings along this corridor.
0924	McAfee Rd	Candler Rd (SR 155)	Second Ave	Install sidewalks and improve pedestrian crossings along this corridor.
0978	Peachtree Industrial Blvd	Chamblee Station	McGraw Dr	Install sidewalks and improve pedestrian crossings along this corridor.
0988	Pleasantdale Rd	Tucker/ Norcross	I-85	Install sidewalks and improve pedestrian crossings along this corridor.
0990	Ponce de Leon Ave	Moreland Ave/ Briarcliff Rd	Eastland Dr	Install sidewalks and improve pedestrian crossings along this corridor.
1095	Dunwoody Area Bike Route	Mount Vernon Rd	I-285	Improve access for bikes along these corridors: N Peachtree Rd, Tilly Mill Rd, Peachford Rd, Old Spring House Ln, Dunwoody Park, Perimeter Cntr E, Valley View, Meadow Lane, Vermack, Peeler, Happy Hollow, Womack, Olde Perimeter, Ridgeview.
1230	N Druid Hills Rd	Peachtree Rd	Colonial Dr	Improve access bikes and pedestrians along this corridor.
1231	Old Springhouse Ln	Chamblee-Dunwoody Rd	Perimeter Center E	Improve access for bikes and pedestrians along this corridor. Extend a multimodal connection to Perimeter Center East.
1237	Church St	Mauck St/ Rowland St	N Indian Creek Dr	Church Street multi-use path (10-12 feet), plant and utility zone (5 feet), railroad safety fencing (adjacent to railroad) from N Indian Creek Rd to Mauck St.
1241	Greenway	Stone Mountain Trail	Covington Rd/ Ashton Pl	Create a trail connection between Stone Mtn Trail and Covington Rd/ Ashton Pl
1256	Shoal Creek Trail	Rainbow Dr	SR 155 / Flat Shoals Pkwy @ Warriors Path / county-owned Hudson Park	Shoal Creek Trail from Rainbow Drive to SR 155 / Flat Shoals Pkwy @ Warriors Path / county-owned "Hudson Park" (2 miles)
1278	E Ponce de Leon Ave (North Side)	N Indian Creek Rd	Eastern City Limits	East Ponce streetscapes (north side of Rd) from N Indian Creek Rd to Eastern City Limits
1279	E Ponce de Leon Ave (South Side)	N Indian Creek Rd	Eastern City Limits	East Ponce streetscapes (south side of Rd) from N Indian Creek Rd to Eastern City Limits
1302	Loop B: Wiggins to Main to Parkway Rd to Park Drive to C	Wiggins St	Surrounding Streets	Construct a downtown greenway system to include multi-purpose trails, pedestrian lighting (Loop B: Wiggins to Main to Parkway Rd to Park Drive to College Ave to Stone Mountain to Max Cleland)
1310	Malone Dr / Watkins Ave / Miller Dr	Peachtree Rd	Peachtree Industrial Blvd	Improve streetscapes on Malone Dr. from Peachtree Rd. to abandoned rail spur, Watkins Ave. from Chamblee-Tucker Rd. to New Peachtree Rd, Malone Dr. from rail spur to PIB, Miller Dr. from rail spur to PIB
1317	Montreal Rd (East Side)	E Ponce de Leon Ave	Hwy 78	Install sidewalks and improve pedestrian crossings along this corridor.
1326	N Indian Creek Rd	Montreal Rd	Jamieson Pl	N Indian Creek sidewalk, plant and utility zone, street trees, street furniture, fixtures, lighting and updated transit signage from Montreal Rd to southern city limits
1504	Wesley Chapel Rd	Covington Hwy	Flat Shoals Pkwy	Install sidewalks and improve pedestrian crossings along this corridor.
1505	Wesley Chapel Rd	I-20	Rainbow Dr	Improve streetscape (sidewalks with planting) from Rainbow Dr to I-20
1531	Buford Hwy midblock between N Druid Hills Rd and Lincoln Ct			Add a pedestrian crossing at or near this location to facilitate safer crossings and safer access to transit stops.
1532	Buford Hwy @ Noble Woods Dr NE			Add a pedestrian crossing at or near this location to facilitate safer crossings and safer access to transit stops.
1533	Buford Hwy @ The Villas at Druid Hills			Add a pedestrian crossing at or near this location to facilitate safer crossings and safer access to transit stops.
1534	Buford Hwy @ Northeast Plaza Shopping Center			Add a pedestrian crossing at or near this location to facilitate safer crossings and safer access to transit stops.
1535	Buford Hwy @ Epic Garden Apartments (Lenox Overlook			Add a pedestrian crossing at or near this location to facilitate safer crossings and safer access to transit stops.
1546	Flat Shoals Rd	Brannen Rd	Whites Mill Rd	Add sidewalk from Brannen Rd along Flat Shoals Rd to White Mills Rd

Project List Survey - Bicycle and Pedestrian Projects (Page 3 of 3)

As a result of extensive input and information from DeKalb cities and County plans, the project team has identified and evaluated thousands of transportation projects. As a member of the community, we need your assistance to further prioritize the extensive list of transportation projects. **INSTRUCTIONS: Use the list of projects below in combination with the link to the online survey (administered through SurveyMonkey) to select which projects are your highest and lowest priorities. You can find that link along with accompanying maps and other materials on the project website at www.dekalbtransportationplan2014.com/documents**

Project ID	Project Name	From	To	Project Description
1559	Covington Trails	Kensington MARTA Station	Surrounding Neighborhoods	Create a trail system to connect the Kensington MARTA Station to surrounding neighborhoods.
1581	Indian Creek Trails	S Indian Creek Dr	Surrounding Neighborhoods	Create a trail system to connect the Indian Creek MARTA Station to surrounding neighborhoods.
1591	South Fork Peachtree Creek Trail	Mason Mill Tennis Center	N Druid Hills Rd	Expand the South Fork Peachtree Creek Trail
1593	Glenwood Rd	from SR 155 (Candler Rd)	Columbia Dr: Phase II	Install sidewalks and improve pedestrian crossings along this corridor.
1599	SR 154 (Memorial Dr)	SR 42 (Moreland Ave)	Candler Rd	Install sidewalks and improve pedestrian crossings along this corridor.
1685	Ponce de Leon Ave/ W Ponce de Leon Ave	W Trinity Pl	past Moreland Ave	Better bike access needed, gaps in current bike facilities
1695	Briarwood Rd	N Druid Hills Rd	Buford Hwy	Install sidewalks and improve pedestrian crossings along this corridor.
1804	N Indian Creek Dr @ approx. Jackson Dr			Install a pedestrian crossing to assist with access to the library.
1905	Rockbridge Rd	Church St	I-285	Improve access for bikes along this corridor.
1908	N Avondale Rd / College Ave	N Clarendon Ave	East Lake Dr	Improve access for bikes and pedestrians along this corridor.
1923	Mountain View Dr/ Sheppard	Memorial Dr	Owens Mill Ct	Sidewalks on Mountain View Dr - requested by Corpus Christi Church
1946	N Druid Hills Rd @ Briarwood Rd NE			Improve access for pedestrians at this location. Repair damaged sidewalks and improve crossings.
1959	N Decatur Rd @ Haygood Dr NE			Improve access for pedestrians at this location. Improvements may include improved striping, lighting, and signage.
2026	Peachtree Rd	McGaw Dr	Clairmont Rd	Install sidewalks and improve pedestrian crossings along this corridor.
2037	Buford Hwy	Chamblee Tucker Rd	English Oak Dr	Install additional pedestrian crossings.
2230	Clairmont Rd	Peachtree Blvd	Buford Hwy	Improve access for bikes along this corridor.
2719	Panola Rd	Covington Hwy	Winslow Crossing N	Install sidewalks and improve pedestrian crossings along this corridor.
2759	N Decatur Rd	E Ponce De Leon Ave	S Indian Creek Dr	Install sidewalks and improve pedestrian crossings along this corridor.
2792	N Druid Hills Rd	Peachtree Rd	E Roxboro Rd	Install sidewalks and improve pedestrian crossings along this corridor.
2892	Winters Chapel Rd	Peachtree Industrial Blvd Access Rd	Winterhaven Ct	Install sidewalks and improve pedestrian crossings along this corridor.
2893	Winters Chapel Rd	Winters Creek Dr	Peachtree Industrial Blvd	Install sidewalks and improve pedestrian crossings along this corridor.
2950	Lawrenceville Hwy	Lee Way (250 east of)	Hugh Howell Rd	Install sidewalks and improve pedestrian crossings along this corridor.
2978	Kensington Rd	Gatehouse Dr	Elder Ln/ Redan Rd	Install sidewalks and improve pedestrian crossings along this corridor.
3012	Houston Mill Rd	Clifton Rd	LaVista Rd	Install sidewalks and improve pedestrian crossings along this corridor.
4004	East Decatur Greenway - Section II	Arcadia Ave	N Avondale Rd	Sidewalk or on-street bike and ped improvements to connect neighborhoods to nearby destinations.
5036	Coventry Rd	Clifton Rd	W Ponce De Leon Ave	Improve access for bikes along this corridor.
5037	Deepdene Park Path	N Ponce De Leon Ave	Artwood Rd	Complete linear park path connection from Deepdene Park to Artwood Rd.
5075	Arabia Mountain Trail	Klondike Rd	Stonecrest Sq	Expansion of the PATH Foundation trail system (Arabia Mountain Trail - 1)
5076	Arabia Mountain Trail	Joels Lake	Arabia Mt Nature Preserve/ Vaughters Farm	Expansion of the PATH Foundation trail system (Arabia Mountain Trail - 2)
5086	Rainbow Dr	Columbia Dr	Wesley Chapel	Bicycle and pedestrian improvements

Project List Survey - Roadway Corridor Projects (Page 1 of 2)

As a result of extensive input and information from DeKalb cities and County plans, the project team has identified and evaluated thousands of transportation projects. As a member of the community, we need your assistance to further prioritize the extensive list of transportation projects. **INSTRUCTIONS:** Use the list of projects below in combination with the link to the online survey (administered through SurveyMonkey) to select which projects are your highest and lowest priorities. You can find that link along with accompanying maps and other materials on the project website at www.dekalbtransportationplan2014.com/documents

Project ID	Project Name	From	To	Project Description
52	Panola Rd/ Redan Rd	Martin Rd	Covington Hwy	Convert signals to ethernet
53	Panola Rd/ Fairington Rd	s/ o Covington Hwy	Thompson Mill Rd	Convert signals to ethernet
55	N Druid Hills Rd	Buford Hwy	LaVista Rd	Install fiber optic interconnect and convert signals to ethernet
58	Flat Shoals Pkwy/ Flakes Mill Rd/ Snapfinger Rd/ Wesley Chapel Rd	Boring Rd @ Flat Shoals	Covington Hwy @ Wesley Chapel Rd	Convert from dial-up to ethernet - connect Wesley Chapel to Panola via fiber on I-20 (DeKalb 24 cable); must be done concurrently or after completion of 0053
60	Turner Hill Rd/ Mall Pkwy	Klondike Rd	Rock Chapel Rd/ Union Grove Rd	Install fiber optic interconnect, convert signals to ethernet and install fiber optic link to library
61	Pleasantdale Rd	Best Friend Rd	Pleasantdale Crossing	Install fiber optic interconnect and convert signals to ethernet
63	Bouldercrest Rd	Westside Pl	River Rd	Install fiber optic interconnect and convert signals to ethernet; add new signals and PTZ cameras with interchange project
64	Briarcliff Rd	Johnson Rd	Sheridan Rd	Install fiber optic interconnect and convert signals to ethernet
66	E Ponce de Leon Ave	Brockett Rd	Hambrick Rd	Install wireless communication and convert to ethernet - connecting into 78 fiber; requires rebuild of signals at Brockett and Cooledge, 78 EB Ramp, Apartment Driveway and Ponce de Leon, and at Ponce and Idlewood; possibility for roundabout at ramp
67	Hairston Rd/ Redan Rd	Allgood Rd	Covington Hwy	Convert existing twisted pair cable to fiber optic communication and convert signals to ethernet; take to TCC via Covington Hwy cable
71	Rock Chapel Rd/ Rockbridge Rd	S Rockbridge Rd/ Pembleton Ct	Union Grove Rd	Install fiber optic interconnect (no current connection to TCC or path to TCC); add Rockbridge @ S. Deshon, Registry Bluff, Wynbrook Pkwy to connect with Five Station
1159	Houston Mill Rd	Clifton Rd		Implement Signal Improvements, Coordination
1162	Maynard Ter	Memorial Dr		Implement Signal Improvements, Coordination
1358	N Druid Hills Rd/ I-85	3,700 feet south of N Druid Hills Rd	Briarwood Rd	North Druid Hills/ I-85 - Access road modifications along corridor
1641	SR 154 (Memorial Dr)	County Line	SR 155 (Candler Rd)	SR 154 (Memorial Dr) Corridor improvements
1675	31 signal upgrades on Briarcliff Rd/ Clairmont Rd/ Church St			Upgrades to approx. 31 signals on Briarcliff (from Sheridan Rd to Johnson Rd), Clifton (from Briarcliff Rd to N Decatur Rd), Clairmont (from LaVista Rd to N Decatur Rd), and Church St (from N Decatur Rd to Bell St)
1676	40 signal upgrades in/around Downtown Decatur			Upgrades to approx. 40 signals in/ around Downtown Decatur - Howard Ave, E Lake Rd, W Ponce de Leon, Clairmont Ave, Trinity Pl, Commerce Dr loop, Church St
4010	Ponce de Leon Rd	approx. 250 ft East of Lullwater Rd		Bridge sufficiency rating is 50 or less and therefore meets the threshold for qualifying for bridge replacement funding.
4011	Covington Hwy	Covington Hwy @ I-285		Bridge sufficiency rating is 50 or less and therefore meets the threshold for qualifying for bridge replacement funding.
4012	Covington Hwy	approx. 1650 ft South/ East of S Hairston Rd		Bridge sufficiency rating is 50 or less and therefore meets the threshold for qualifying for bridge replacement funding.
4013	Rockbridge Rd	Rockbridge Rd @ Rockbridge Rd Park		Bridge sufficiency rating is 50 or less and therefore meets the threshold for qualifying for bridge replacement funding.
4014	Key Rd	approx. 1900 ft South/ West of Bouldercrest Rd		Bridge sufficiency rating is 50 or less and therefore meets the threshold for qualifying for bridge replacement funding. Consider if upgrades to this bridge could accommodate a crossing for part of the PATH Foundation South River Trail.
4015	Rainbow Dr	Rainbow Dr @ I-285		Bridge sufficiency rating 50 or less - meets threshold to qualify for bridge replacement funding. Consider cross section for bike and ped improvements to align with Proj 5086 - bike/ ped improvements (DeKalb County 2013, Regional Bike/ Ped Plan)
4016	N Druid Hills Rd.	approx. 1400 ft East of Spring Creek Rd		Bridge sufficiency rating is 50 or less and therefore meets the threshold for qualifying for bridge replacement funding. Make sure bridge considerations include the potential for future transit lines running below

Project List Survey - Roadway Corridor Projects (Page 2 of 2)

As a result of extensive input and information from DeKalb cities and County plans, the project team has identified and evaluated thousands of transportation projects. As a member of the community, we need your assistance to further prioritize the extensive list of transportation projects. **INSTRUCTIONS:** Use the list of projects below in combination with the link to the online survey (administered through SurveyMonkey) to select which projects are your highest and lowest priorities. You can find that link along with accompanying maps and other materials on the project website at www.dekalbtransportationplan2014.com/documents

Project ID	Project Name	From	To	Project Description
4018	Mercer University Dr	approx. 900 ft East of Flowers Rd S		Bridge sufficiency rating is 50 or less and therefore meets the threshold for qualifying for bridge replacement funding. Consider if upgrades to this bridge could accommodate a crossing for part of the PATH Foundation North Fork Peachtree Trail.
4019	Hearn Rd	approx. 1000 ft South of River Rd		Bridge sufficiency rating is 50 or less and therefore meets the threshold for qualifying for bridge replacement funding.
4020	W Nancy Creek Rd	approx. 300 ft East of Candler Lake Way		Bridge sufficiency rating 50 or less - meets threshold to qualify for bridge replacement funding. Existing pedestrian bridge could be considered for repair/ renovation during reconstruction of the main bridge due to proximity with Murphy Candler Park
4021	Nancy Creek Rd	Nancy Creek Rd @ Nancy Creek Pl/ Ashdun Ct		Bridge sufficiency rating is 50 or less and therefore meets the threshold for qualifying for bridge replacement funding. Consider if upgrades to this bridge could accommodate a crossing for part of the PATH Foundation Perimeter Trail.
4022	Casa Dr	approx. 150 ft North of Mell Ave		Bridge sufficiency rating is 50 or less and therefore meets the threshold for qualifying for bridge replacement funding.
4023	Rt. Frontage Rd	approx. 400 ft North of Orion Dr		Bridge sufficiency rating 50 or less - meets threshold to qualify for bridge replacement funding. Consider if upgrades to this bridge could accommodate a crossing to extend the PATH Foundation Perimeter Trail into the Little Creek Farm park area.
5082	Pleasantdale Rd	Tucker Norcross Rd	Chamblee Tucker Rd	Convert existing fiber optic interconnect dial-up service to ethernet
5097	N Decatur Rd/ E Ponce de Leon Ave	I-285	I-285	Mixture of signal upgrades
5101	Mt Vernon Rd	Ashford Dunwoody Rd	Dunwoody Club Dr	Install fiber optic interconnect and convert signals to ethernet
5102	Briarcliff Rd	Johnson Rd	N Decatur Rd	Install fiber optic interconnect and convert signals to ethernet

Project List Survey - Roadway Intersection Projects (Page 1 of 2)

As a result of extensive input and information from DeKalb cities and County plans, the project team has identified and evaluated thousands of transportation projects. As a member of the community, we need your assistance to further prioritize the extensive list of transportation projects. **INSTRUCTIONS:** Use the list of projects below in combination with the link to the online survey (administered through SurveyMonkey) to select which projects are your highest and lowest priorities. You can find that link along with accompanying maps and other materials on the project website at www.dekalbtransportationplan2014.com/documents

Project ID	Project Name	From	To	Project Description
162	Moreland Ave@DeKalb Ave			Consolidate two access ramp signals on DeKalb Ave to a single point intersection and realign ramps to intersect at this point
163	Moreland Ave@DeKalb Ave			Introduce signal controlling intersection of both ramps with DeKalb Ave.
167	Church St/ Ponce de Leon @ N Indian Creek Rd underpass			Operational improvements at the adjacent intersections of Church St and Ponce de Leon with N Indian Creek including possible turning movement restrictions
289	McDonough Rd @ College Ave			Replace the painted striped median with a raised-curb island that provides pedestrian refuge, Work with CSX Trans and FRA to consider new paved right turn lane
660	Clairmont Rd @ I-85			Operations; Signal System Improvements, Areawide
662	Houston Mill Rd @ Mason Mill Rd			Intersection improvements
668	Shallowford Rd @ I-85			ITS; Congestion Management Improvements
681	Bouldercrest Rd @ I-285			Interchange Operational Improvements
685	Briarcliff Rd @ LaVista Rd			Intersection Improvement, incl turn lanes
690	Clairmont Rd @ N Decatur Rd			Operations; Intersection Improvement, incl turn lanes
706	Houston Mill Rd @ LaVista Rd			Operations; Recommend Detailed Traffic Analysis and Possible Improvements
707	I-20 @ Panola Rd			Safety; Interchange Operational Improvements
713	E Ponce de Leon Ave @ I-285			Interchange Operational Improvements
723	Memorial Dr @ N Hairston Rd			Safety Assessment, Improvements
765	Wesley Chapel Rd @ Flat Shoals Pkwy			Safety Assessment, Improvements
1131	Snapfinger Rd (SR 155) @ Browns Mill Rd			Lengthen right-turn lane on SE 155 northbound
1139	Peachtree Industrial Blvd @ I-285 Interchange			Left turn movement onto I-285 must wait additional phase due to 5-leg intersection at Parsons/ North Peachtree Rd. Further study required to evaluate the engineering feasibility of the project.
1391	Chamblee Tucker Rd/ LaVista Rd/ Fellowship intersection redesign			Chamblee Tucker/ LaVista/ Fellowship intersection redesign
1418	Chestnut Dr @ Park Ave			Realign Chestnut Drive with Park Ave it create a centralized route from Northwoods to MARTA. This improvement would warrant reclassifying Park Ave as an Urban Collector.
1420	Buford Hwy/ Motor Industrial Way @ I-285			Free flow right turn lane on northbound Buford Hwy to eastbound I-285; eastbound through lane on Motor Ind. Way onto I-285 eastbound ramp to eliminate storage congestion during peak hours.
1430	E Trinity Place and N McDonough Rd			Implement vehicular and safety improvements at grade crossings at E. Trinity Place and N. McDonough
1470	Moreland Ave @ North Ave			Signage to prohibit peak hour lefts on North Ave and to encourage northbound left turns at Freedom Pkwy rather than North or Ponce de Leon Ave
1471	Moreland Ave @ Seaboard Ave/ Caroline St			Elimination of Seaboard's westbound right turn lane at Moreland Ave
1491	Moreland Ave @ Skyhaven Rd			Realignment of the Skyhaven Rd / East Confederate Ave. intersection with Moreland Ave to remove offset
1658	SR 260 (Glenwood Ave) @ US 23 (Moreland Ave)			Roadway / Operations & Safety

Project List Survey - Roadway Intersection Projects (Page 2 of 2)

As a result of extensive input and information from DeKalb cities and County plans, the project team has identified and evaluated thousands of transportation projects. As a member of the community, we need your assistance to further prioritize the extensive list of transportation projects. **INSTRUCTIONS:** Use the list of projects below in combination with the link to the online survey (administered through SurveyMonkey) to select which projects are your highest and lowest priorities. You can find that link along with accompanying maps and other materials on the project website at www.dekalbtransportationplan2014.com/documents

Project ID	Project Name	From	To	Project Description
1673	I-20 East @ US 23 (Moreland Ave)			Roadway / Interchange Upgrade
1674	I-285 North @ Ashford Dunwoody Rd			Roadway / Interchange Upgrade
1702	Mt Vernon Rd @ Ashford Dunwoody Rd			Intersection Improvements
1703	Mt Vernon Rd @ Chamblee Dunwoody Rd			Intersection Improvements
1730	N Druid Hills Rd @ Lawrenceville Hwy/ Hwy 78 WB Exit Ramp/ 78 EB Entry Ramp			Intersection improvements, some bottle necks
1736	Hugh Howell Rd @ Lawrenceville Hwy			intersection improvements
1875	Briarcliff Rd @ Clifton Rd			Intersection improvements including turn lanes and signal timing to reduce vehicular delay (and possibly a realignment of the intersection from Briarcliff Rd to Clifton Rd) and pedestrian improvements as needed.
1937	Covington Hwy @ Hillvale Rd/ Wellington Cir			Intersection realignment with pedestrian safety improvements.
1952	Chamblee Tucker Rd @ Peachtree Rd			Convert existing through lanes to left turn lanes and add left-turn arrow; Consider high pedestrian traffic between the MARTA station, Chamblee Village, and the Mid-city district when re-stripping/ changing signal timing
1958	N Clarendon Rd @ E Ponce de Leon Ave			Signal upgrade with railroad preemption - The signal currently doesn't have the ability to change when the train comes.
1962	Goldsmith Rd @ E Ponce de Leon Ave			This location meets the requirements for installation of railroad preemption. The railroad is less than 200 feet from signal and is a safety issue.
5088	Briarcliff Rd @ N Druid Hills Rd			Intersection improvements including turn lanes and signal timing to reduce vehicular delay and pedestrian improvements as needed.
5103	Covington Rd @ Lithonia Industrial Blvd			Add turn lanes on side street
5104	Moreland Ave @ Bailey Rd			Intersection improvements
5108	Briarcliff Rd @ LaVista Rd			Intersection improvements including turn lanes and signal timing to reduce vehicular delay and pedestrian improvements as needed.

Project List Survey - Multimodal Projects (Page 1 of 3)

As a result of extensive input and information from DeKalb cities and County plans, the project team has identified and evaluated thousands of transportation projects. As a member of the community, we need your assistance to further prioritize the extensive list of transportation projects. **INSTRUCTIONS: Use the list of projects below in combination with the link to the online survey (administered through SurveyMonkey) to select which projects are your highest and lowest priorities. You can find that link along with accompanying maps and other materials on the project website at www.dekalbtransportationplan2014.com/documents**

Project ID	Project Name	From	To	Project Description
68	LaVista Rd	Sheffield Dr	Houston Mill Rd	Corridor needs passive pedestrian ATMS
198	E College Ave / N Avondale Rd / Covington Rd	N McDonough St	Memorial Dr	Engineering feasibility study needed to improve this portion of the corridor to include operational, pedestrian, and possibly bike accommodations. Roundabout at N Avondale Rd and Clarendon Ave is a possibility.
199	Moreland Ave	Ponce De Leon Ave	I-20	Upgrade traffic signal equipment and signal coordination/ provide bus prioritization. Implement mid-block traffic signal between Euclid and Mansfield. Remove Moreland/ Arkwright signal and allow right-in/ right-out on both sides of Moreland.
200	Ponce De Leon Ave	Juniper St	Clifton Rd	Upgrade all traffic signals to include updated signal timing, including bus prioritization.
264	Church St	Commerce Dr	Lawrenceville Hwy	Add center turn lane and on-street parking along with bicycle lanes.
269	Howard Ave	Western city limit	Decatur High School parking lot	Road diet/ redesign to promote more access/ slower vehicular speeds. Reduce intersection footprint of Howard Ave at the CSX RR, if design is feasible, by creating two conventional intersections at Howard Ave and at College Ave/ Olympic Place.
273	Commerce Dr	W Howard Ave	S Columbia Dr	Reduce the number of lanes and redesign the street to promote slower speeds (25 to 30 mph). Includes intersection improvements at Clairemont Ave and Church St. Will require corridor study/ design and GDOT approval.
274	Commerce Dr	W Howard Ave	S Columbia Dr	Reduce the number of lanes and redesign the street to promote slower speeds (25 to 30 mph). Includes intersection improvements at Clairemont Ave and Church St. Will require corridor study/ design and GDOT approval.
275	S Candler St	Candler Rd SE	E College Ave	Restripe the street to narrow lanes, include four-foot wide bicycle lanes on both sides of the street.
420	Briarcliff Rd	Clifton Rd	N Druid Hills Rd	Widen from 2 to 4 lanes with a center landscaped median, intersection improvements at key locations, as well as bike and pedestrian accommodations.
442	Bouldercrest Rd	Glenwood Ave	Constitution Rd	Operational improvements along with pedestrian and bicycle accommodations
449	E Roxboro Rd	Fulton County Line	N Druid Hills Rd	Widen for Bus Rapid Transit and include pedestrian, bicycle, and operational improvements
455	LaVista Rd	N Druid Hills Rd	Houston Rd	Add center turn lane, bike lanes and pedestrian improvements between N Druid Hills Rd and Harobi Dr. Consider operational, bike, and pedestrian improvements at key intersections along corridor, especially between Cheshire Bridge Rd and N Druid Hills Rd
836	Cooledge Rd	Lawrenceville Hwy (US 29)	Stone Mountain Fwy/ US 78	Operational and safety improvements including a three-lane section with access management, bicycle and pedestrian facilities. Roundabout possible at Hwy 78 ramps.
1097	Mount Vernon Rd	Ashford Dunwoody Rd	Mount Vernon Pl	Add center turn lane, 4' bike lanes, and 6' sidewalks with 2' buffer to Mt Vernon Rd between Ashford Dunwoody and Mt Vernon Pl w/ operational improvements along corridor. See Dunwoody Village Master Plan, Five Year Implementation Plan, Proj 4
